Blayney High Bulletin - Issue 17 Term 3 - Week 10 28 September 2018

Thank you to everyone for a wonderful Term 3. With the weather warming up and the celebrations for the end of Year 12 it is always my favourite term.

I hope everyone has a well-deserved relaxing break.

Don't forget there is no Staff Development Day in Term 4 so all students return on **Monday 15th October**.

See everyone then

John Browett
Principal

If anyone would like to donate any bulbs or Agapanthus to the school so we can add some winter/spring colour it would be greatly appreciated.

Homework Help

The home can get a little stressful from time to time with the study commitment required of students.

I would just like to remind parents and carers that **Homework Centre** is running at school on a Tuesday and Thursday afternoon from 3.30 pm to 5 pm.

Homework Centre offers students an opportunity to work in a quiet learning environment. Supervised by a teacher it allows students to seek help from a professional thus allowing a student to maximise their productivity.

Some students come both days, which often means all homework is completed and home can be for relaxing and spending quality time with their family.

Regular study habits are important to a student's success. Education is an important part of all students' success in life. Please consider arranging transport so as your child can benefit from this opportunity.

Any questions contact Lea Parker.

A letter from Robert Pattison about his student exchange

To my year group and friends at Blayney High,

I thought I would send a letter to say hi and let you know that I haven't forgotten you.

I have been having the most amazing time on exchange, I have been very busy making new friends, traveling, and experiencing the best that the Danish culture can give me. I have had so many experiences, from travelling around Europe including a week-long trip to Germany, a weeklong trip to Norway and Sweden and a day trip to Copenhagen. The Highlight of my exchange has been Eurotour, an 18-day tour around Europe visiting countries like Germany, Czech Republic, Austria, Italy, France and the Netherlands. I have made friends from around the world and the food has been incredible

School has been insane here because of the complete change in many aspects of how things are done. There have been some difficult aspects like having to take French classes with a Danish teacher, advanced maths in a foreign language is impossible but there are many things that make the school here amazing like the school parties and the theatre room in the school. Learning here is very much like a university, some days I might have an 8-hour school day and some days it may be a 2- hour day.

I would strongly recommend to anyone that if you get a chance to travel overseas or do an exchange programme, do it, you won't regret it.

I hope that my year group has a great final couple of weeks at school and I wish them all luck with their HSC and anything the future provides. Looking forward to catching up on my return.

Regards,

Robert Pattison.
