**Blayney High Bulletin - Issue 16      Term 3 - Week 8      14 September 2018**

## End of Senior Courses.

For our HSC students all school based assessments are complete and it's now just time for some final revision before the external exams early next term. The last week of school will be a chance to reflect and celebrate 13 long years of schooling with the many traditional activities Blayney High School runs for its graduating students. This culminates in our final assembly which this year will be held on **Thursday 27th September**. Formal invitations will be mailed out soon.

## Congratulations to the class of 2018.

Our Year 11 students will be busy as well with their end of course exams being held next week. Year 12 courses begin next term for these students and so everything they do from Term 4 is a building block towards their HSC mark.

Good luck to everyone in the exam period.

## Leaders Induction

Our leaders induction assembly will be held on **Tuesday 25th September at 2pm**. While we have announced our incoming school Captains and Vice-Captains we await the results of the SRC elections that have been held this week. Once this result is known formal invitations will be mailed home to this event. We hope you can join us as we induct our next generation of student leaders.

John Browett

Principals

If anyone would like to donate any bulbs or Agapanthus to the school so we can add some winter/spring colour it would be greatly appreciated.

## Homework Help

The home can get a little stressful from time to time with the study commitment required of students.

I would just like to remind parents and carers that **Homework Centre** is running at school on a Tuesday and Thursday afternoon from 3.30 pm to 5 pm.

Homework Centre offers students an opportunity to work in a quiet learning environment. Supervised by a teacher it allows students to seek help from a professional thus allowing a student to maximise their productivity.

Some students come both days, which often means all homework is completed and home can be for relaxing and spending quality time with their family.

Regular study habits are important to a student's success. Education is an important part of all students' success in life. Please consider arranging transport so as your child can benefit from this opportunity.

**Any questions contact Lea Parker.**
