Blayney High Bulletin - Issue 7

Term 2- Week 5

10 June 2019

Exams and Semester One Reports

Starting last Friday and working through this week students in Years 7 - 10 will be completing their Semester 1 exams in all subjects. However, this does not mean the end of assessment or quality lesson content in any course. The exams are placed at this time for two reasons. It allows teacher time to mark this huge volume of work without rushing and secondly, it allows time for a full topic to be taught each course in the weeks remaining before the end of term.

Once the exams have been marked and final topics assessed reports for Semester One will be written. Having recently completed our Sentral reports for Years 11 and 12 we are hopeful we have ironed the bugs out of our new system and we will be able to meet our traditional deadline of reports being posted by the end of Term 2.

Year 10 - 11 Transition

EARLY NOTICE!!!

We will be beginning the Year 10 into 11 transition process with our Information Evening on Tuesday July 2. On this evening we will be explaining all the rules, regulations, options and possibilities for the modern HSC. We will also be discussing the ATAR and the HSC Minimum Standard. There will be the opportunity to ask questions and discuss the specific requirements regarding specific subjects from the subject experts themselves - the teachers. This is the most important evening in this process and we hope to see as many parents and students there as possible. More detailed information will be sent out regarding this evening soon.

HEAD LICE WARNING

We have had a reported case of Head Lice in the school. Would you check your child's hair tonight and if the child has an infestation, please treat it before your child returns to school. We request that girls shoulder length hair be tied back and that you also wash all bed linen, clothes, towels combs, brushes and hair accessories and hats. It is also necessary to vacuum thoroughly. If we work together on this issue we can solve the problem. Please also note that Blayney High School office will contact the carer of a child if head lice are discovered. By now, as you read this note, you will probably start scratching so it is advisable for the whole family to be treated as well.

Central West Commonwealth Carer Respite Centre (CCRC)

A young carer is a person helping to care for a family member or friend, and who is still at school.

A young carer may provide practical and emotional support to the person with a disability, chronic illness, mental illness or who is frail aged.

Sometimes a young carer may fall behind or struggle at school as a result of the added pressure of caring.

How can we help?

- With the cost of school excursions, sport fees, music and art fees etc., to help join in activities.
- Provide funding to help young carers access tuition if they are falling behind at school or just need some extra help at exam time.
- Access counselling and support including the Carers NSW Young Carer on-line community
- <http://www.youngcarersnsw.org.au/> or 1800 242 636.
- Access a break from their caring role (respite care) when they need time to study, prepare for exams or complete assignments.

If you are a young carer and would like information about the Young Carer Program, please contact the CCRC on the number below, or ask your teacher, or a trusted adult to call on your behalf.
