

## Blayney High Bulletin - Issue 1 Term 4- Week 2

23 October 2020

### Bathurst Health Warning

I am sure most parents and students will have seen that last week there was a Health Alert issued by the NSW Department of Health for the Bathurst region. While it is important any student or family who attended the Bathurst 1000 event goes for a COVID test, there are no other changes to normal school procedures or COVID management protocols required. As has been widely communicated, if students are well they should be in attendance at school. If they are unwell with cold or flu like symptoms they should not attend school and not return until they have received a COVID Negative test result. There will be no cancellations of any planned events or alterations to our timetable due to the recent Health Warning.

### Recommencement of Variations and Excursions

In a pleasing development Term 4 sees further relaxing of Department COVID restrictions allowing many more variations and excursions to begin. Inter-school sporting events are the first to begin in earnest and there have already been a number of rounds played in some sports.

### HSC Exams

HSC exams have commenced and these continue up until Wednesday 11th November. We wish our HSC students every success in what has been a difficult year for them. The end is in sight and we look forward to the Graduation assembly and dinner following the final exam.

### Year 7 - 10 Exams

The Semester 2 Examinations for Years 7 - 10 will be held as normal as Semester 2 has been uninterrupted by remote learning. These will commence on Friday of Week 4 (7th November) and continue through Week 5. Students will be issued a timetable outlining their dates and times soon. We expect every student to do their best in these exams as a full Semester's learning has been delivered. Most subjects will deliver a unit of work following the exams before end of year reports are written.

Kind regards,  
John Browett  
Principal

# School Travel for 2021

## 2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply or update their details](#).

\*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before **31 December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

## **New Concession Entitlement Cards**

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.

Enquiries regarding school student travel can be submitted to Transport for NSW at:
