Blayney High Bulletin - Issue 3 Term 4 - Week 6

20 November 2020

Presentation Assemblies

At the end of each year it is traditional for us to hold two presentation assemblies. This first of these is held during the day and is for the presentation of all class awards. The second is the Presentation Evening for the more formal presentation of our major prize winners.

Unfortunately due to COVID 4 square meter restrictions we are unable to invite guests or parents to our traditional Presentation Evening.

For 2020 we will be combining our Presentation assemblies and holding these during the day on Monday 14th December. At these assemblies all awards will be presented to the students in Stages. The Stage 4 assembly will be held at approximately 9:15 am with the Stage 5/6 assembly following at approximately 12:30pm.

As we are unable to invite guests, both assemblies will be recorded and shared via our Facebook page. Unfortunately we are unable to Livestream the assemblies as we have a number of students unable to be published who will be receiving awards. These students will not be included in the edited recording that will be shared.

I congratulate all award winners in advance and look forward to recognising their outstanding achievements.

7 - 10 Reports

Following the recent Exam Week reports are currently being prepared for all students in Years 7 - 10. Parents can expect full reports in the usual manner following an uninterrupted Semester Two. These reports will be posted at the end of the school year and published in the Sentral Parent and Student Portal.

School Travel for 2021

2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply or update their details](#).

*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before **31 December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

New Concession Entitlement Cards

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.

Enquiries regarding school student travel can be submitted to Transport for NSW at:
