## Blayney High Bulletin - Issue 4 Term 3 - Week 8

11 September 2020

### Senior Leadership Team

Following the voting process we have our new Senior Leadership Group and School Captains for 2021. I congratulate all candidates on their outstanding speeches and I look forward to working with our senior leaders as we work through the planning phase for our next four year school plan. Names and photographs of our Captains and Senior Leaders are attached.

### HSC Formal Assembly and Graduation

Last week we welcomed the confirmation we will be able to hold a formal event for Year 12 in Term 4. We are waiting for the list of restrictions that we must work within to hold these events in a COVID safe manner and we will be announcing final arrangements as soon as we can to give students and families plenty of time to make preparations. In the meantime, students have been given information regarding school based events to be held in the final week of this term. We look forward to celebrating with Year 12 in a fun and fitting way.

### HSC External Exams

NESA have released a Fact Sheet for HSC students in regards to the external examination arrangements. This fact sheet has been given to all students and has been attached to this Bulletin. As with all things regarding COVID safety, NESA are doing everything they can to ensure the exams will be conducted in the safest possible manner for everyone.

### Athletics Carnival

The annual Athletics Carnival will be held on Tuesday of Week 10 – 22<sup>nd</sup> September. The event will be held at King George oval as we would normally do but due to COVID restrictions **no parents or spectators will be able to attend**. We understand and welcome the fact that many parents do like to come and watch but unfortunately this year this will not be able to occur. We respectfully ask this year for this restriction to be respected.

Kind regards,  
John Browett  
Principal

## Congratulations

## COVID-19 safe expectations of students

This information will assist students understand the COVID safe arrangements in place when attending their HSC examination. The safety and wellbeing of students and staff in attendance is of paramount importance to us and as such we ask all students to co-operate with these arrangements at all times.

### Screening for students with symptoms

- Students must not attend the exam if they are unwell
- Students will be asked upon arrival if they have any flu-like symptoms or if they should be in self-isolation under direction by NSW Health
- Students displaying flu-like symptoms or who advise they are unwell will be asked to leave the school and arrange to have a COVID-19 test
- Students with a clinical history/known illness that may appear like COVID-19 symptoms should be planning now and speak to their doctor/GP. The GP can provide written assurance – e.g. symptom the student presents on a normal basis.

### Flu-like symptoms

Flu-like symptoms include fever, cough, sore throat, shortness of breath, loss of taste, and loss of smell. Additional information about COVID-19 symptoms can be found on the [NSW Health website](#).

Students who are displaying even mild flu-like symptoms they should leave immediately and not return until they have a negative COVID-19 test and are symptom-free.

### Fast track COVID-19 test results

HSC students can fast-track their COVID-19 test results.

To do this you must:

- say you are a HSC student when taking a test
- ensure the nurse or doctor doing the test marks your referral 'urgent — HSC'
- self-isolate until a negative result is received
- show your school the negative result
- call the contact number provided by the clinic if results are not received within 36 hours.

### Minimising the risk of transmission

- Students should wash their hands or use hand sanitiser prior to commencing the exam.
- Maintain good personal hygiene practices during the exam including covering your cough or sneeze through coughing or sneezing into your elbow or a tissue, disposing of tissues at the end of the exam.
- Avoid shaking hands or hugging other students on exam days.
- Hygiene supplies will be available at all exam venues
  - Sanitiser
  - Wipes.

- Student may wipe down their table before they begin their exam if they choose to.
- Students should not mingle in large groups prior to or after the exam.
- Exam rooms will be cleaned each day.

### **Arrival and sign-on arrangements**

- Students should arrive no more than 20 minutes prior to the exam and report directly to the designated exam room for screening and sign-on.
- Students will be asked to sign an attendance sheet confirming attendance at the exam, providing contact details and that they do not have flu-like symptoms.

### **Alternative Examination Locations**

Your school has identified an alternative examination location in the event that the examination is unable to proceed in the planned location. This information will be provided to you on your personal examination timetable so it is readily available at short notice in case it is required.

This is a backup only and students should attend the planned location unless advised by the school. Do not attend a proposed alternative location if you have not been told to do so by the school.

### **Confirmed cases of COVID-19**

If during the examination period the school is advised by NSW Health that there has been a confirmed case of COVID-19 which will impact the school, arrangements are in place to minimise disruption where possible. The school may advise you the day before that the examination will be relocated to the alternative venue detailed in your timetable or the exam may be cancelled.

### **Illness/Misadventure**

Students who do not attend an exam due to having symptoms, or who are turned away as a result of screening will be eligible for an illness/misadventure claim. Your school will assist you through this process where required.
