Blayney High Bulletin - Issue 5 Term 2 - Week 9 - 24 June 2022

Reports

Reports for students in Years 7 - 10 are being finalised and will be emailed to all parents before the end of the week. As I have mentioned a number of times in the Bulletin, these will be emailed only to the majority of parents. A number of parents have requested hard copies of their child's report. These will also be sent before the end of term. If you would like to add your name to this list please ring the office and hard copies will be produced for you.

Term 3

A reminder that after the school break we have a Staff Development Day. This will be on Monday July 18th and will be a day for staff only. **All students return Tuesday 19th July.**

End of Semester

Thank you to everyone for their efforts this semester. While things have been a big step forward over the past few years, there have still been so many complexities with regularly changing Close Contact and Isolation requirements for COVID. As these restrictions continue to ease, I am hopeful of a much more settled Semester Two. We are planning far more events and excursions than we have been able to run over the last few years and we look forward to getting out into our wider community again.

Kind regards,

John Browett

Principal

Important Information: Sentral for Parents App

From **Thursday 23rd June 2022**, versions 3 and 4 of the Sentral for Parents App will no longer be supported. If you are on one of these versions, you need to update your app to continue accessing information and receiving notifications.

How do I check what version I am?

From your app, go into Settings cog in the top left corner of the dashboard screen, then into App Version. (See image below.)

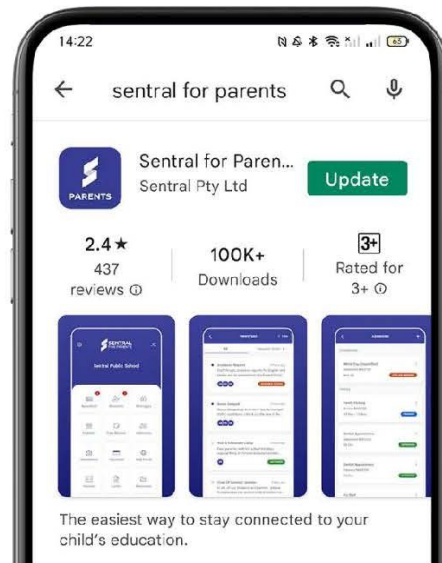

I am on Version 3 or 4

You will need to update your app. Go to your device's app store and search for Sentral for Parents and then select Update (see image below). Or you can access the app store using the QR codes below. After the update, when you go back into the app, you will be required to re-enter your login credentials.

I am on Version 5

You do not need to do anything at this time.
