

## Blayney High Bulletin - Issue 3 Term 3 - Week 5 - 19 August 2022

### Junior Assessment Calendar

Over the next few days our Junior assessment timetable will be placed into the Sentral Calendar. Parents and students are able to access this calendar via the Sentral Portal.

For ease of locating information, each day of a week has been allocated to a faculty as follows,

- Monday: Maths
- Tuesday: English
- Wednesday: TAS/Creative and Performing Arts
- Thursday: Science and HSIE
- Friday: PDHPE

**NOTE**, this does not mean that the assessments will occur exactly on those dates, they will occur at some point in the indicated week. Specific due dates will be issued to students through the normal assessment notification process which will indicate the specific due date. These assessment task notifications are issued to students at least a fortnight before a deadline.

Some tasks are submission dates for ongoing assignment work, some are in-class tests. The calendar will also remain a 'live' document. Assessments may need to be pushed back through unforeseen circumstances such as teacher illness or whole school events etc. If so, this will be reflected in changes to the online calendar.

We are hopeful this information will be helpful for parents who like to know when assessments are due.

### Portal Markbook Access

Coming Soon.

Following on from our Portal Calendar described above we are working on our Portal Markbook. This will give parents and students access to marks for assessments and tests as they are completed. This will allow parents and students to track progress throughout a semester rather than having to wait for full end of semester reports.

## **Blayney High School Assistance Dog**

It is my great pleasure to announce that we have been successful in an application for an Assistance Dog for Blayney High School. Having been approved it may take between 6 – 18 months to find a dog suited to our needs.

The benefits of having a trained assistance dog are well documented and once I have more information I will provide this to the community. There is a full integration and training program to allow us to gain the full benefit of our dog as it transitions into the school.

Kind regards,  
John Browett  
Principal

## **Wear It Purple Day 2022**

**Friday the 26<sup>th</sup> August**

12 years ago, Wear It Purple was founded in response to many global stories of teenagers taking their own lives due to bullying and harassment. These real stories, real responses and real heartbreak resulted from a lack of acceptance, a lack of community, support and safety due to their sexuality or gender identity.

Every year thousands of schools, community organisations, universities and workplaces hold events across Australia for Wear It Purple Day.

This will be Blayney High's first Wear It Purple Day as we aim to encourage a culture of acceptance and tolerance, while enhancing awareness of issues relevant to the LGBTQIA+ community.

**We ask that all staff and students who want to share in the message to our rainbow young people that they are seen, supported, and respected at BHS to wear PURPLE on Friday 26<sup>th</sup>. Gold coin donations for wearing mufti will go directly to Wear it Purple to support future projects supporting our young people.**

Recess will see live music, facepaint, hair colour, food and celebration. Stay tuned to see the photos of a sea of PURPLE!

## Orange Rep Soccer 2023

We are looking for expressions of interest to be part of the 2023 Representative Season in 2023.

We are hoping to have teams in all age groups for boys and girls.

Trials will be held in late August, early September this year as our season begins with gala days in February and March with the remainder of the Rep Season ending in late June.

Please see the below link to register interest in the 2023 Representative soccer season.

Orange District Football Association (ODFA) will notify of all trial dates and coaches for each age group.
